CONFLICT OF INTEREST

Conflict of Interest Declaration:

Conflict of Interest - Providers Considered:

I have been given detailed information on the following providers — BrightCare Support Coordination, HopePath Community Services, and Helping Hands Disability Care. Each company's services, costs, and availability were clearly explained, allowing me to make an informed decision about which provider best suits my needs.

I received information about multiple providers including Unity Care Solutions, SafeStep Coordination, and RiseUp Support. I had the opportunity to review their services and discuss my preferences with the coordinator before finalizing my choice.

I have been informed about several service providers such as CareFirst Support Coordination, Empower Disability Services, and GoodLife Community Support. I was given time to compare their programs and select the provider that aligns best with my goals and preferences.

I request that Infinity Supports WA manage my Support Coordination as well as my Service Delivery. My choice will be recorded on the Conflict-of-Interest Register.
