Phone: 0493282661
0493141688
0493540924

Email: admin@infinitysupportswa.org

Working Hours: 8.30 AM to 4.30 PM (Monday to Friday)

HR & Compliance

- Infinity will send you one reminder prior to expiry of your employment related documents such as first aid, car license etc.
- It is mandatory to return documents on time. Failing to do so will result in staff being stood down to remain compliant.
- Staff are expected to check signal for messages.

Leave

- **Approval First:** Staff must obtain leave approval before booking holidays.
- **Operational Needs:** Leave is approved when feasible but overlapping time-off may disrupt client services.
- **Leave process:**
 - ❖ Permanent staff: Submit leave request via Xero ME app → update google holiday calendar.
 - ❖ Casual staff: Enter unavailability on Shiftcare → email coordinators → update google holiday calendar.
- **Team Coordination :** Check the **holiday calendar** before requesting leave to avoid overlap.

Workplace Etiquette

- **Representing Infinity Supports WA:** Maintain professionalism while supporting clients.
- **Dress Appropriately:** Wear neat, suitable clothing.
- **Footwear:** Fully enclosed shoes are required.
- **Respectful Communication:** Always use professional and courteous language when communicating with clients and staff at Infinity Supports WA. While friendliness is encouraged, overly casual language, slang, or informal messaging should be avoided in professional discussions. For example, messages to coordinators should not start with “Hey.” Maintaining a professional tone ensures clarity, respect, and consistency in our communications.
- **Shift Adjustments:** Do not adjust client shift times without prior approval from your line manager.

Workplace Etiquette

- **Shift Reports:** Must be completed before finishing or immediately after shift. This is non negotiable. **Shift reports are legal documents so ensure accuracy, proofread, be objective and correct errors prior to submission.** If using ChatGPT, ensure your content is relevant prior to uploading. Please avoid multiple submissions.
- **Clocking In/Out:** It is mandatory to clock in/out at the correct time and location. If facing technical issues, inform management immediately with a reason. **PLEASE KEEP YOUR SHIFTCARE NOTIFICATIONS AND LOCATION SETTINGS ON.** This is to ensure you get alerts when there are shift changes and for us to gather evidence that you are at the right location. This is mandatory across the organisation.
- **Mobile Phone Usage:** Adherence to our strict mobile phone usage policy.

Internal Communication

- We do not support clients who require 24/7 support, so there is no dedicated on-call service.
- Phones will be manned after hours, with Sharon and Anand alternating on weekends. **DO NOT TEXT** after hours or when calling in sick—**PLEASE CALL INSTEAD.**
- Regular work hours – 8.30 AM to 4.30 PM (Mon–Fri). Only initiate after-hours contact in case of an emergency or imminent risk requiring management's intervention.
- During work hours, allow sufficient time for line managers to respond before following up. Avoid sending a text and calling within a few minutes for the same issue. Example: When knocking on a client's door, give them time to respond before calling for intervention.
- All plans, risk assessments, and contact details are available on Shiftcare to help you work independently and support clients effectively.
- Stay updated on all messages posted in our Signal groups.

Other Expectations

PERSON-CENTERED CARE

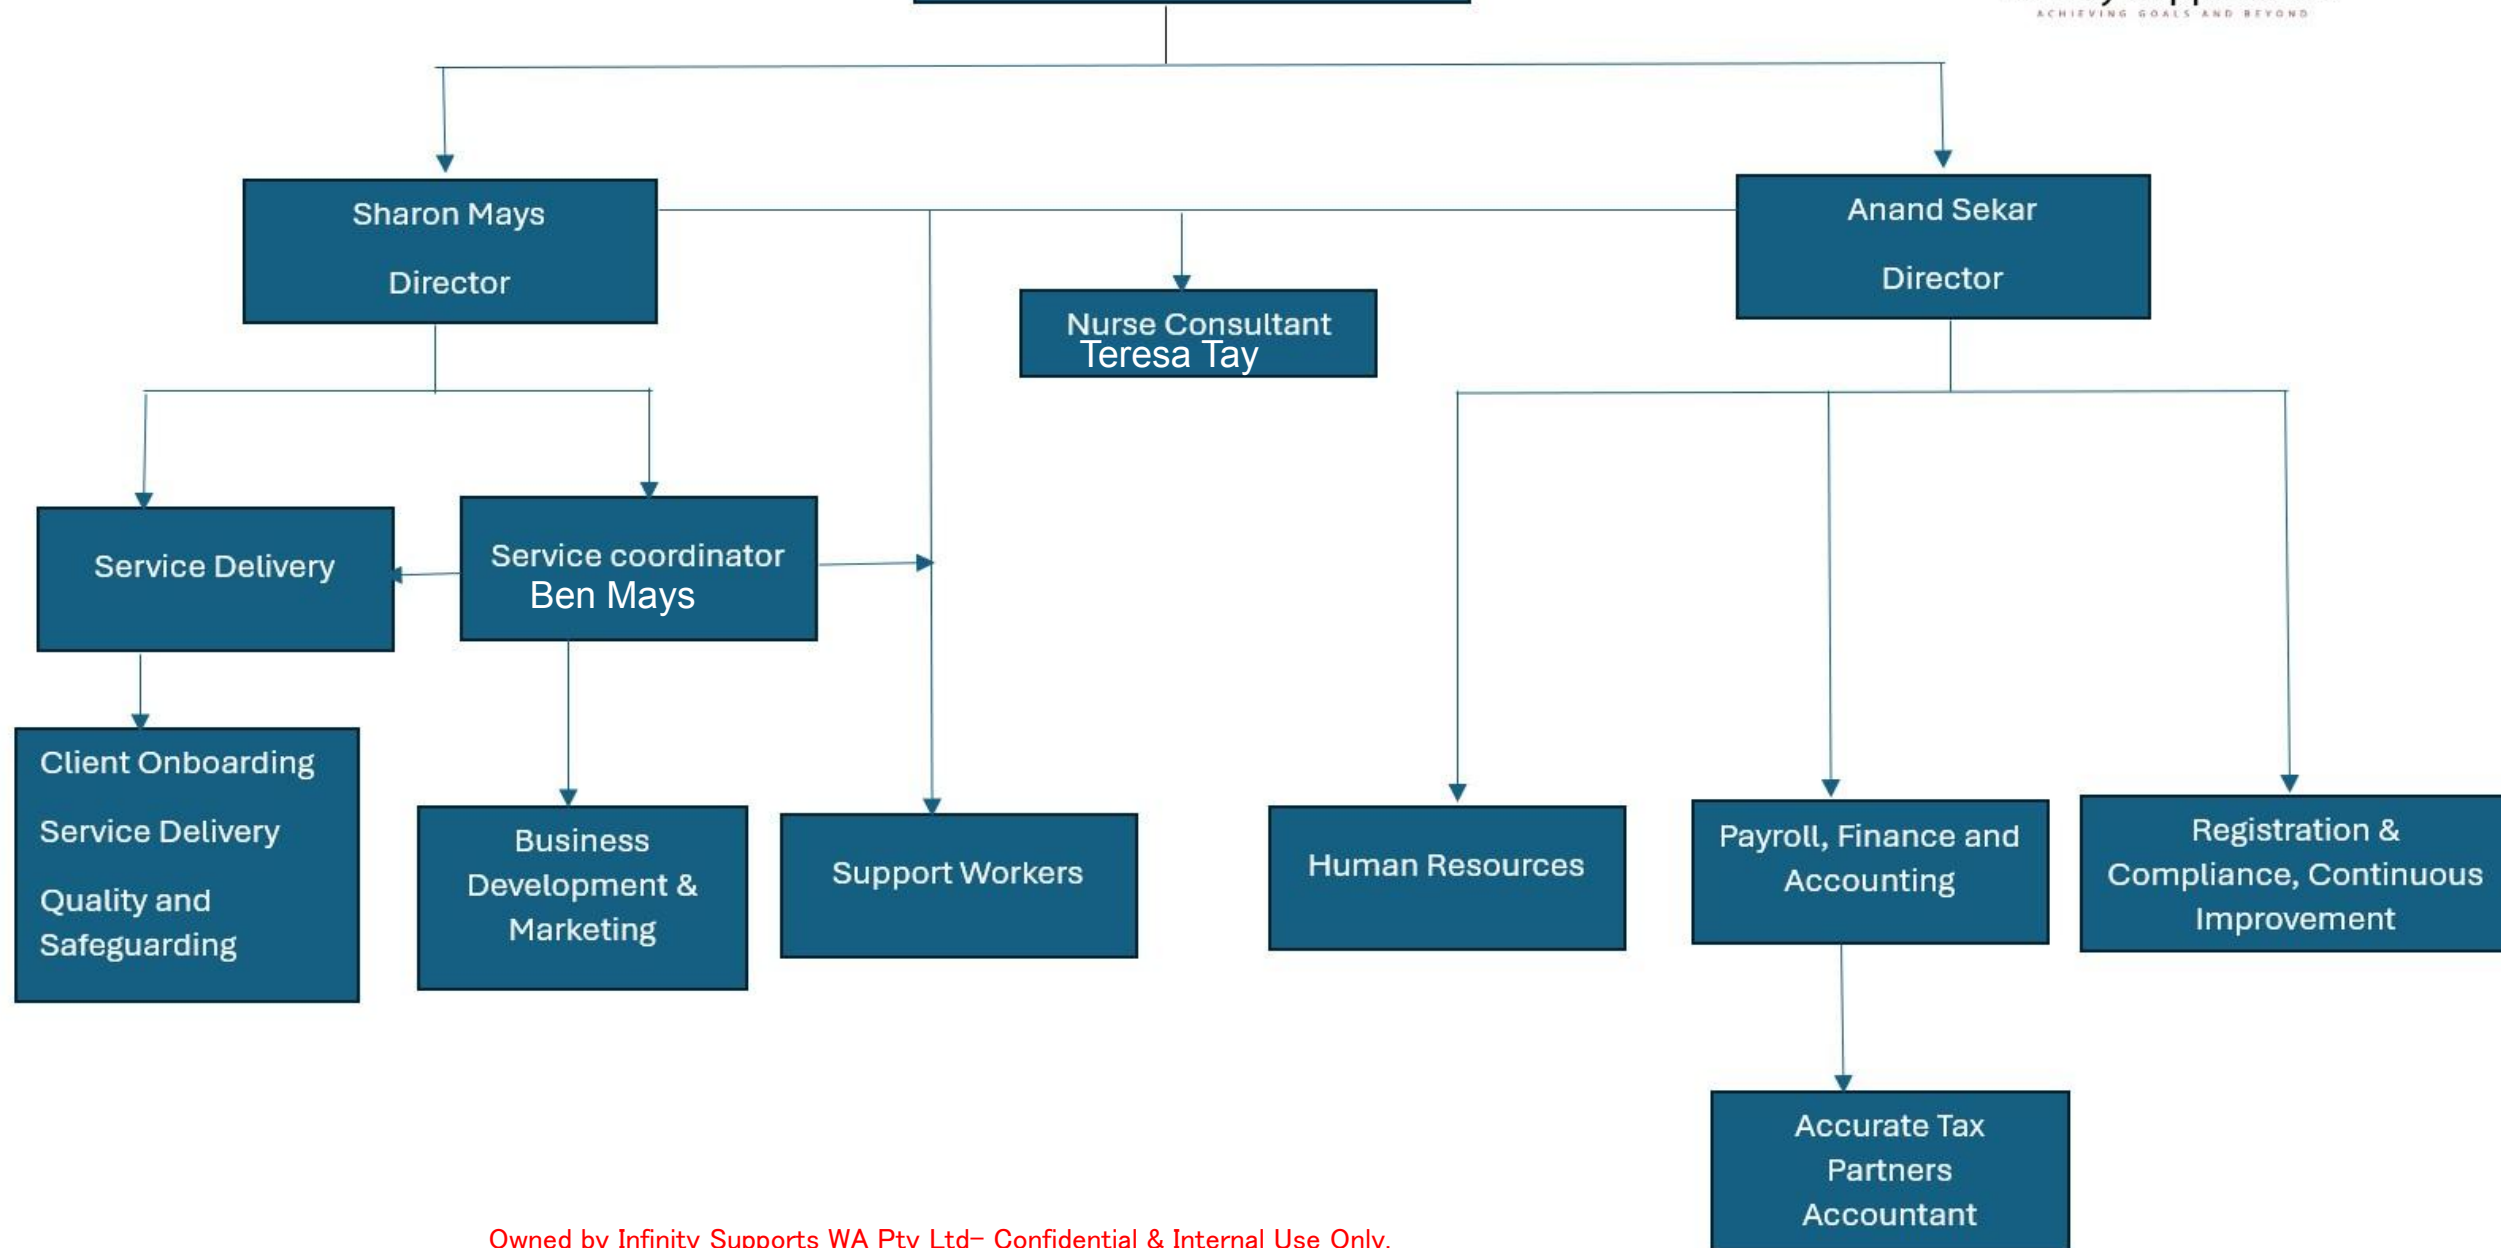

- The support worker role at Infinity Supports WA is formal, paid employment. To maintain consistency for both staff and clients, please schedule personal appointments outside work hours unless urgent. We are paid professionals, not carers.
- We strive to provide everyone a set ongoing roster to have some consistency in place and to facilitate work-life balance for all staff. Similarly, it is important that client's routine and regular hours of supports are not disrupted to suit support worker's personal commitments i.e. Person-centred approach
- If unable to work your rostered shifts, inform us promptly. We will arrange alternate staff and part time contracts may be varied if needed.
- If unwell, notify us as early as possible for alternate arrangements. It is your responsibility to assess and inform us of your ability to work—medical decisions are not ours to make.

Audit

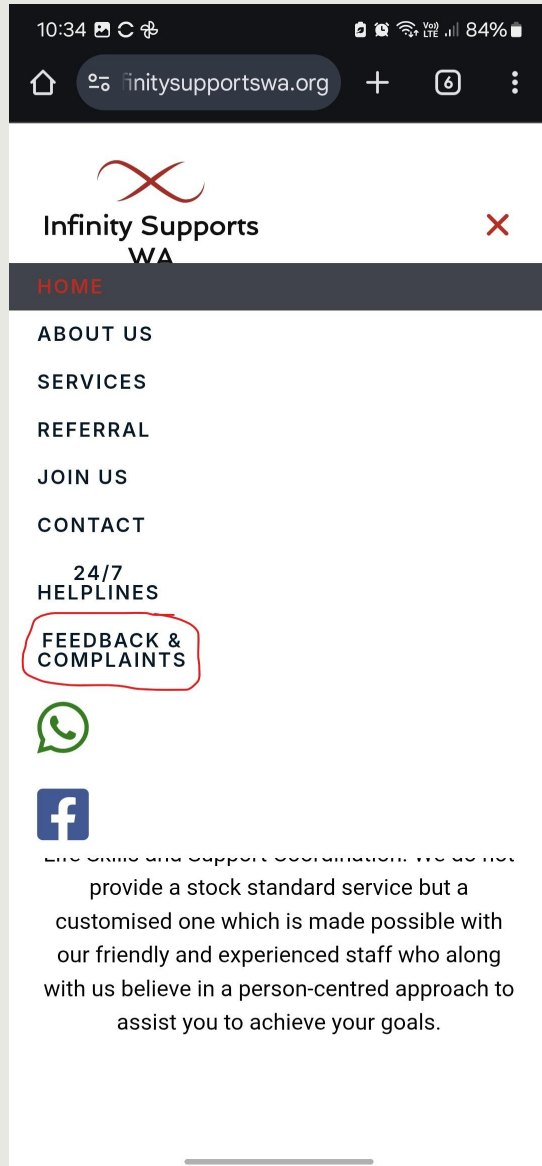

- Audit is a part of our registration for compliance.
- Client opt in and out however you can't.
- You may be called by an audit and asked questions like
 - Where do you find the policies and procedures? Does anyone know?
 - What is a behaviour support plan? Ben will expand on that soon
 - What is a restrictive practice? Ben will touch on that soon
 - What is the company complaints procedure and where do you find it?

Key Points for Audit

1. Do you know how to support your client provider feedback and or compliant?
2. What are the documents you should be looking at prior to starting with a client?
Where do you find them?
3. Where is your clients safe meeting place?
4. Who reads the shift notes prior to there next shifts?
5. Where do you find incidents report
6. Do you know the company hierarchy?

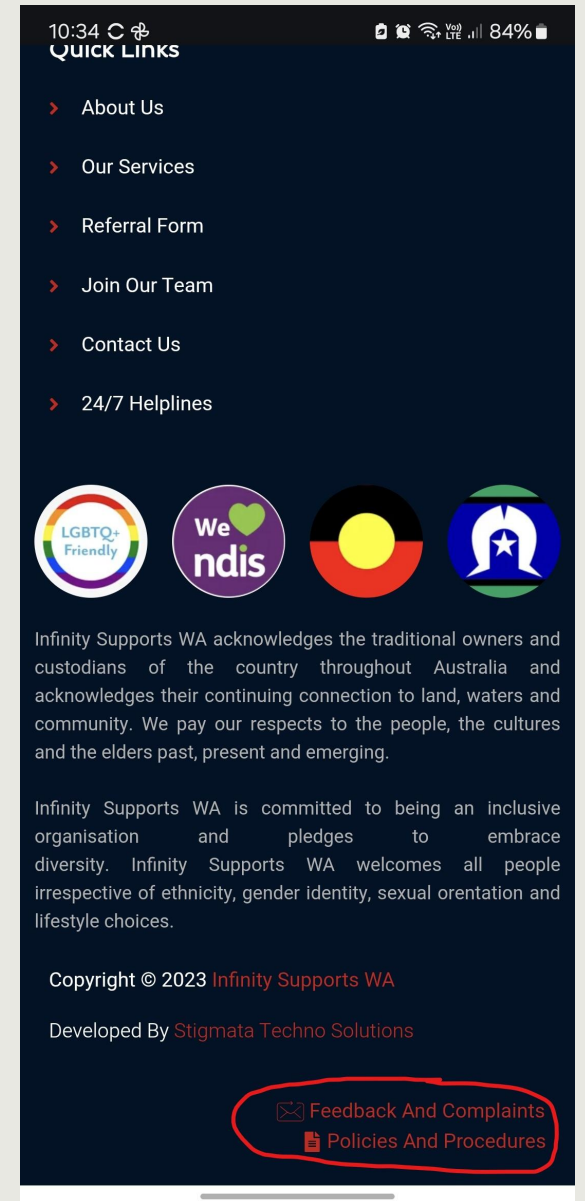

Our website: www.infinitysupportswa.org

You can find the following on our website:

- Our contact information
- Policies and procedures
- Complaints and feedback form

You can also request copies of organisational documents such as employee handbook, policies and procedures, complaints form etc by contacting Anand as well

Incident reports

****1. Name of Participant**

****2. Type of Incident:**

1. Medication (Separate incident form to be filled out Refer to manager)
2. Injury First Aid
3. Injury Medical Treatment
4. Injury Hospitalization (may be reportable)
5. Near Miss
6. Abuse or Neglect
7. Sexual Assault or Abuse **

Note: Please ensure that shift notes, and incident reports are submitted only once. Submitting multiple versions creates duplicate entries in our system, making it time-consuming for coordinators to complete their reporting.

Incident Reports Cont' d

**3. Date, time and location of incident

**4. Describe the incident in detail

Where, when, how, what were you doing

**5. Details of injury

**6. Immediate action taken to make situation safe

What did you do, First aid, contact or conversations report to who

Incident reports continued

**7. Witness Name, phone and email (if applicable)

**8. Name of person completing this report

You and your contact details

**9. Line manager informed?

Who

KEY POINTS

Be Factual

Don't use Chat GPT, Use your words.

Must be sent in asap or with in 24 hours

What happens next?

An investigation or report within 24 hour and possible reporting to the commission if it is a serious incident report.

Serious Incidents

What is a SIR?

- ☐ A reportable incident is an act or event
- ☐ that has happened, or alleged to have
- ☐ happened, in connection with delivering
- ☐ NDIS supports or services.
- ☐ Registered NDIS providers must notify
- ☐ the NDIS Commission of all reportable incidents.
- ☐ This includes incidents you have recorded
- ☐ and responded to within your own incident
- ☐ management system.

Reportable incident	You MUST notify us within: (Timeframes are calculated from when a registered NDIS provider became aware of the incident)
Death of a person with disability.	24 hours
Serious injury of a person with disability.	24 hours
Abuse or neglect of a person with disability.	24 hours
Unlawful sexual or physical contact with, or assault of, a person with disability.	24 hours
Sexual misconduct against, or in the presence of, a person with disability, including grooming of the person for sexual activity.	24 hours
Use of a <u>restrictive practice that is unauthorised</u> by your state or territory, or does not follow a behaviour support plan for the person with disability.	5 business days If the incident has resulted in harm to a person with disability, it must be reported within 24 hours.

Behaviour support And Restrictive Practices

- ❑ Who has a PBS plan?
 - ❑ Any client with behaviours or high-risk needs or restrictive practices
- ❑ What are restrictive practices ?
 - ❑ The NDIS Act 2013 defines a restrictive practice as ‘any practice or intervention that has the effect of restricting the rights or freedom of movement of a person with disability’. Under the National Disability Insurance Scheme (Restrictive Practices and Behaviour Support) Rules 2018, there are five restrictive practices that are subject to regulation and oversight by the NDIS Commission.
 - ❑ There are five types of regulated restrictive practices, being: chemical restraint environmental restraint mechanical restraint physical restraint seclusion.
 - ❑ Who can tell me what an example of each is?

Behaviour support And Restrictive Practices

- What is reportable to my manager?
 - Incidents behaviours injuries near misses and use of a restrictive practice or if you are unsure.
- What is my role?
 - To ensure to safety dignity and respect of yourself, your clients and the organisation.
 - At your safest and early convenience provide as much detail to your manager as possible via a phone call.

Risk Assessments

- Why would you do a risk assessment?
 - To determine to level of risk to the individual, staff member or organisation.
- What kind of things can be risk assessed?
 - Any activity that has the potential to cause harm to an individual. i.e Swimming, Sailing , Surfing, Cooking.
- When do these take place?
 - Normal before and activity is commenced or if there is a potential for harm.
- Who is responsible?
 - Everyone is responsible for safety and risk assessments.

If you are unsure ask.
